

We've Been Everywhere, sung by Bronte

Frank's been with me since I was born  
And he's the one who I adore  
We travel the world until we're worn  
And then we sleep from dusk 'till dawn  
And when we wake we stretch and yawn  
And then we sing about it all..cuz..

We've been everywhere  
I'm Bronte, Frank's my bear  
Cross the skies so fair  
We're such a happy pair  
With you we'd like to share  
How we've been everywhere.

Been to:

London, Paris, New York, San Francisco,  
Berlin, Bangkok, Budapest, Buffalo,  
Sydney, Melbourne, Istanbul, San Diego,  
DC, LA, Niagara Falls, Rome and Moscow,  
Arbat, Pushkinskaya, Tevskoy, Bolshoi,  
Gorky Park, Tverskaya, Red Square,  
I'm not a liar..
